Gifted Micro-Credential Virtual Sessions

Due to Covid-19 Closures, we are replacing all June micro sessions with a virtual, "Live" Session in MS Teams. Please note these are interactive sessions. Courses may be taken out of order, however all six courses must be completed to earn the Gifted Micro-Credential. You may take courses in both cohorts if needed.

The Gifted Micro-Credential consists of six 1-hour overviews of each of the gifted endorsement courses. It is designed to be an overview of gifted education for educators so we can meet the needs of our 9,000+ gifted students.

Please note that participants will not receive a gifted endorsement through this program.
